The All of Us Research Program Virtual Event:

What is Genetic Counseling?

Join Us

Learn how you can be included in shaping the future of health care for you, your family, your community, and generations to come by joining us for an All of Us Research Program virtual event.

June 15th

Wednesday, June 15th, 2022
1:00 p.m. - 2:00 p.m.
Register online:

Presented by:

Join us for a discussion on how genetic counselors work with individuals and families who have questions about the implications of genetic variation for inherited conditions and for their health.

Speaker details:

Pamela Flodman
Director and Professor of the UCI Graduate Program in Genetic Counseling
